SECTION 1

FINANCIAL SERVICES GUIDE

WHAT OTHER INFORMATION SHOULD YOU CONSIDER BEFORE DECIDING WHETHER TO PROCEED WITH OUR RECOMMENDATIONS?

If you receive personal financial advice this will be documented in a Statement of Advice (SoA), or in specific circumstances a Record of Advice (RoA), that confirms the discussions you have had with us, the recommendations we are making and the basis for those recommendations. These documents will also explain how those recommendations will work towards achieving your goals, any relevant fees received by us, and any associations with financial product providers.

When a financial product is recommended to you, you will be provided with a Product Disclosure Statement (PDS) or other disclosure document issued by the product provider. Among other things, the PDS contains information about the risks, benefits, features and fees payable in respect of the product. In combination, these documents will help you make an

informed decision about whether to proceed with our recommendations.

NOT INDEPENDENT

CFH receives commission on the sale of life risk insurance products. As such, we are neither independent, impartial, or unbiased as defined in Section 923A of the Corporations Act.

WHO PROVIDES THE FINANCIAL SERVICES DESCRIBED IN THIS FSG?

The financial services described in this FSG are provided by us as Authorised Representatives of CFH.

Part 2 of this Guide contains further details about your financial adviser, and our experience, qualifications and professional memberships.

WHO IS RESPONSIBLE FOR THOSE FINANCIAL SERVICES?

As the holder of an AFSL, CFH is responsible for the financial services we provide to you. CFH acts on its own behalf when these financial services are provided to you. In relation to the financial services offered in this FSG, CFH, as the holder of an AFSL, does not act on behalf of any other person or licensee. CFH is only responsible for the services offered in the FSG.

The law requires CFH to have arrangements in place to compensate certain persons for loss or damage they suffer from certain breaches of the Corporations Act by CFH and/or its Authorised Representatives. CFH has internal compensation arrangements as well as professional indemnity insurance that satisfy these requirements.

WHAT FINANCIAL SERVICES DO WE OFFER?

We are authorised, on behalf of CFH to provide financial product advice and to deal in a wide range of products (unless otherwise stated in Part 2 of this Guide):

- deposit products;
- Government debentures, stocks or bonds;

- wealth accumulation advice;
- superannuation advice, including self-managed superannuation funds;

- redundancy advice;
- retirement advice;
- gearing strategies;
- cash flow advice;
- social security benefits advice;
- life and disability insurance advice; and
- estate planning services (financial planning).

WHAT PRODUCTS ARE AVAILABLE?

A range of financial products offered by many leading financial product providers are available to our advisers when they provide personal advice.

Internal and external experts provide financial product research, which is used to carefully select and maintain an extensive list of Approved Products for us to select from.

When providing personal advice to you, our advisers may only recommend a product to you if they consider it is appropriate after considering your objectives, financial situation and needs. Your adviser is not required to tell you about products that are not on the APL and he or she may benefit from a product recommendation,

HOW DO WE ENSURE THAT THE PERSONAL ADVICE WE GIVE YOU SUITS YOUR NEEDS AND OBJECTIVES?

To ensure your adviser provides personal advice that is appropriate, we firstly need to understand your objectives, financial situation and needs. Your adviser (referred to as 'we' below) will follow a step-by-step process as outlined below:

- 1) We will meet with you for an initial consultation. During this meeting we will discuss your expectations and provide you with details of the services we can offer.
- 2) We will collect all the information we need from you, including your objectives, financial situation and needs. If you do not wish to provide the information we require, we will advise you of the possible consequences of not disclosing all of this information and the impact on the recommendations given. This may include not being able to provide advice on the subject matter you request.
- 3) We will help you identify your goals and may discuss your attitude towards investment risk.
- 4) We may consider strategies and areas such as income, social security, insurance, cash and estate planning requirements. Where we recommend a financial product, we will also conduct a reasonable investigation of the financial products that may be suitable to implement the strategies as part of the recommendations. Based on these and other considerations, we will prepare and present you with a written SoA, or in some cases depending on the circumstances, an RoA. We will explain in the SoA (or RoA) the basis for the advice, and any remuneration, benefits or associations which could have influenced the advice.

Where we recommend financial products, we will provide you with a PDS or other disclosure document containing information about each product recommended, to help you make an informed decision about whether to invest in or acquire that product.

- 5) We will discuss our recommendations with you, make any changes you require and ask you whether you would like us to implement those recommendations on your behalf.
- 6) If you agree, we will then implement those recommendations.
- 7) We will meet with you periodically to review your financial circumstances. Where we agree to providing services for a period of 12 months, this will be documented in a Fixed Term Agreement. Prior to the end of the specific period, we will determine with you if a new Fixed Term Agreement should be entered into. There is no expectation or understanding that a new Fixed Term Agreement will be entered into, unless it is in your best interest.

We will also explain to you any significant risks of the financial products and strategies which we recommend to you. If you are unclear of the risks, do not hesitate to question us further.

In certain circumstances, we may not provide you with personal advice via a SoA or RoA, as outlined above. These circumstances may include:

- 1) Where we provide you with only general advice, such as through seminars and newsletters;
- 2) Further advice or verbal advice – if you previously received advice recorded in a SoA, any further personal advice provided by us may be recorded in a RoA. We will not necessarily provide you with a copy of the RoA unless you request it (see below).

WHAT DOCUMENTS DO YOU GET IF WE PROVIDE FURTHER ADVICE?

Where a further review is conducted and personal advice is provided, in some circumstances we are not required to provide you with a SoA for this further advice. Where this is the case, if you have not already been provided with a RoA, you may request a copy of the RoA from us by contacting us (on any of the contact details set out in Part 2 of this Guide) for a period of seven years from when the further advice was first provided to you.

HOW CAN YOU INSTRUCT US?

You may specify how you would like to give us instructions, for example, by phone, fax or email using any of the contact details set out in Part 2 of this Guide. Alternatively, you may provide instructions to us in person. Where instructions are provided by telephone, these must be confirmed in writing.

OTHER SERVICES

We may provide services other than financial planning services. While we may provide these other services, you should understand that these other services are not provided on behalf of CFH's AFSL and CFH does not train, support or supervise the provision of these other services and has no responsibility in relation to these services.

Examples of the services which CFH is not responsible for include:

- general insurance services (e.g. car insurance);
- real estate and direct property advice;
- taxation services, such as completion of tax returns;
- accounting and audit services;
- legal services;
- credit activities
- consulting services; and
- administration and compliance of self-managed superannuation funds.

HOW ARE WE PAID FOR OUR SERVICES?

We and CFH may receive:

- fees paid by clients;
- commissions paid by product providers;
- other payments by product providers; and
- other benefits.

Fees and commissions are payable (as directed by your Authorised Representative) to CFH. CFH may pay up to 100% of any fees and commissions to me or my associated entities.

Details of any fees, commissions or other benefits that we, CFH or other associated persons are entitled to receive if you implement our recommendations in relation to a specific financial product, will be disclosed to you in your SoA or RoA when personal advice is given.

WHAT TYPE OF FEES, COMMISSIONS, PAYMENTS AND OTHER BENEFITS DO WE RECEIVE FOR OUR SERVICES?

If the fees, commissions or other benefits are not calculable at the time we provide personal advice, we will describe the manner in which they are calculated at the time the advice is given or as soon as practicable after. If you receive general advice you may request particulars of the fees, commissions and other benefits that we may receive, within a reasonable time after this FSG is given to you.

The types of fees, commissions and other benefits that may be received by us and by CFH include the following:

Service fees

We will discuss and agree our fee structure with you before we provide you with services. The types of fees you can be charged are listed below. You may be charged a combination, or part of, any of these fees.

Fees for advice

We may charge fees for the preparation, presentation and implementation of our advice. These fees will be based on your individual circumstances, the complexity involved in your situation and the time it takes to prepare personal financial advice for you. We will discuss these fees with you and gain your agreement to the fees before we provide you with advice.

Fixed term agreement fees

We may charge a fee to re-assess your personal circumstances, risk profile, needs and objectives, along with your overall financial position to ensure you remain on track to meet your goals and objectives over a 12-month period.

This fixed term agreement fee will be agreed with you and is either a flat fee, or a percentage-based fee based on your total funds under management. Any costs based on a percentage may vary over time and, as such, the dollar amounts shown may be an estimate only.

One-off (ad hoc) fees

We may charge a fee if you require advice outside a Fixed Term Agreement. This fee will be based on the advice requested and we will discuss this fee with you and gain your agreement to the fees before we proceed.

Referral fees

If we refer you to another business to provide you with services, we do not request or accept referral fees.

Payment methods

Our fees are either invoiced to you directly, or deducted from your investments, or a combination of these methods.

Where it is debited from your investments it is normally referred to as the Adviser Service Fee.

In most instances you will be able to select the method of payment that suits you best. We will discuss and agree the method of payment with you before we provide you with services.

Commissions

If you take out an insurance product through us, CFH may receive payments in the form of initial commissions and/or ongoing commissions from the insurance product providers. These commissions are included in the premiums you pay for the product, and we may agree to rebate some or all of these.

The commission payable for the recommended insurance products is outlined below:

Life Insurance Products

Initial and ongoing commissions from insurance providers may be received by Carrington Financial Holdings Pty Ltd. These commissions are paid to Carrington Financial Holdings Pty Ltd by the company that issues the product that we recommend to you and they are included in what you pay for the product. The commissions vary and are based on the policy cost, which is the sum of the premiums you pay and may include other fees related to the product.

The initial commission is paid in the first year by the product issuer to Carrington Financial Holdings Pty Ltd. Ongoing commissions are payments paid by product issuers to Carrington Financial Holdings Pty Ltd in the years after the first year. These commissions may be passed onto the Authorised Representative.

If you initiate an increase to your cover, Carrington Financial Holdings Pty Ltd may receive an initial commission and ongoing commissions on the annual increase to your policy cost. The ongoing commission on a client-initiated increase is only paid in respect of the period that starts from the first anniversary of the increase.

If the initial commission is equal to the ongoing commissions (as a percentage of your policy cost), Carrington Financial Holdings Pty Ltd may receive up to 60% (excl. GST) of your annual policy cost. If the initial commission is higher than the ongoing commissions, the maximum commission that Carrington Financial Holdings Pty Ltd may receive is set out in the table below:

Date a new product is issued	Initial commission (% of annual policy cost or increase excl. GST)	Ongoing commission pa (% of annual policy cost or increase excl. GST)
Before 1 January 2018	0 - 140%	0 - 38.5%

- > your policy was issued before 1 January 2018 and is replaced after 1 January 2018 to correct an administrative error.

DOES CFH CHARGE ANY FEES?

CFH will not charge you any additional fees. However, it may retain up to 100% of all fees and commissions generated by its Authorised Representatives.

OTHER BENEFITS

From time to time we may accept alternative forms of remuneration from product providers or other parties, such as hospitality or support connected with our professional development (e.g. training or sponsorship to attend conferences). We maintain a register detailing any benefit we receive which is valued at between \$0 and \$300 and other benefits that relate to information technology software or support provided by a product issuer or that relate to educational and training purposes.

A copy of the register is available on request for a small charge.

WHAT ARRANGEMENTS MAY INFLUENCE OUR ADVICE TO YOU?

CFH's Approved Product List includes a range of financial products from product providers not associated with the CFH.

We are generally only permitted to recommend Wrap services provided by platform providers on the Approved Product List, however we can recommend other Wrap services to you where it suits your objectives, financial situation and needs.

Any other relationships or associations we have that may influence our advice to you will be disclosed in Part 2 of this FSG.

The fee varies according to the referrer and financial products involved.

The fee may be a percentage of our fees, a percentage of the total amount invested paid through the referral, or a flat fee. We may pay these fees upfront, and/or a period within a 12-month period during the term of our fixed term agreement.
