The types of fees, commissions and other benefits that may be received by us and by CFH include the following:

Service fees

We will discuss and agree our fee structure with you before we provide you with services. The types of fees you can be charged are listed below. You may be charged a combination, or part of, any of these fees.

As part of detailed financial planning, there are costs to you at various stages of the process. Before making any recommendations, we will discuss and agree the fees with you.

Advice fees are inclusive of GST and payable by you at the following stages:

- 1) **Recommendation:** For having a personalised financial plan (SoA) prepared, a plan preparation fee (up to \$6,600) is payable. The actual fee will depend on the complexity of your situation and the time it takes to prepare personal financial advice for you.
- 2) **Implementation:** We may charge a placement fee and/or implementation fee to implement the recommendations in your financial plan. These are payable when you decide to proceed with the implementation of any one or more recommendations that I provide to you. The actual fee will depend on the complexity of your situation and the amount of funds invested, but will not exceed:
 - a. a range from \$1,200 incl. GST (min.) to \$5,500 incl. GST (max.); and/or
 - b. up to 66% incl. GST of the premium; and/or
 - c. the maximum of entry fees or contribution fees specified in the Product Disclosure Statement (PDS) for the recommended product;whichever is the greater.
- 3) **Review:** If you choose to have us conduct a review of your financial plan to ensure that your financial strategies and financial products remain appropriate to you. Where we agree to providing services for a period of 12 months, this will be documented in a Fixed Term Agreement. Prior to the end of the specific period, we will determine with you if a new Fixed Term Agreement should be entered into. There is no expectation or understanding that a new Fixed Term Agreement will be entered into, unless it is in your best interests. If you choose to have us provide this service, you may be charged a:
 - a. flat fee ranging from \$330 to \$33,000 incl. GST or
 - b. up to 2.20% incl GST based on the total funds under management. For example, if total funds under management were \$500,000, a 2.2% incl GST fee would equate to \$11,000.
- 4) **One-off (ad hoc fees):** We may charge a one-off (ad hoc) fee if you require advice outside of a Fixed Term Agreement. These fees are calculated on an hourly basis and range from \$350 to \$550 per hour incl GST.

Where a placement fee and/or implementation fee is charged, we may rebate all or part of the initial commissions and/or ongoing commissions received from a product issuer, by way of an increase in your investment amount.

Where we receive an initial commission and/or ongoing commission amount, we may rebate all or part of the implementation and/or placement fee to you.

Note: Full details of all fees and commissions for financial services will be provided to you in a Statement of Advice (SoA), or Record of Advice (RoA) and Product Disclosure Statements at the time of receiving any recommendation.

Referral fees

If we refer you to another business to provide you with services, we do not request or accept referral fees.

Payment methods

Our fees are either invoiced to you directly, or deducted from your investments, or a combination of these methods.

Where it is debited from your investments it is normally referred to as the Adviser Service Fee.

In most instances you will be able to select the method of payment that suits you best. We will discuss and agree the method of payment with you before we provide you with services.

Commissions

Life Insurance Products

Initial and ongoing commissions from insurance providers may be received by us. These commissions are paid to CFH by the insurance company if you acquire the cover we recommend. The value or cost of the commissions are included in the cost of what you pay for the insurance and are not an additional cost to you. The commissions we receive will be disclosed in your SoA and/or RoA with our recommendations.

The initial commission is paid at the commencement of the insurance policy by the product issuer to us. Ongoing commissions are payments paid by the product issuers to us after the commencement of the insurance policy.

If you initiate an increase to your cover (resulting in an increase in the cost of premium payable by you to the insurance company), we may receive a further initial commission and an increase in the receipt of ongoing commissions on the value of the annual increase to your policy cost.

Level Commissions

Where we recommend the use of a level commission arrangement, we will receive up to 34% of your annual insurance premium.

Upfront Commissions

Policies in place prior to 1 January 2020 – Upfront commission of up to 140% on the first years' premium, and ongoing commission of up to 38.5% on the renewal premium.

Policies put into place after 1 January 2020 – Upfront commission of 66% on the first years' premium, and ongoing commission of 22% on the renewal premium.

Example

We recommend you put in place an insurance policy on 1/03/2024 and the premium is \$2,000. We would receive 66% or \$1,320 of the first years' premium as an upfront commission, and 22% or \$440 of the renewal premium, assuming it remains unchanged each year.

You'll find details of how your insurance policy cost is calculated in the relevant PDS that we provide you. Where personal advice is provided to you, you'll also find details of the commission that CFH and we are entitled to receive if you decide to purchase a life insurance product, in your SoA or RoA.

DOES CFH CHARGE ANY FEES?

CFH will not charge you any additional fees. However, it may retain up to 100% of all fees and commissions generated by its Authorised Representatives.

OTHER BENEFITS

From time to time, we may accept alternative forms of remuneration from product providers or other parties, such as hospitality or support connected with our professional development (e.g. training or sponsorship to attend conferences). We maintain a register detailing any benefit we receive which is valued up to \$300 and other benefits that relate to information technology software or support provided by a product issuer or that relate to educational and training purposes.

A copy of the register is available on request for a small charge.

WHAT ARRANGEMENTS MAY INFLUENCE OUR ADVICE TO YOU?

Internal and external experts provide financial product research, which is used to carefully select and determine which products to recommend to you, if they consider it is appropriate after considering your objectives, financial situation and needs.

CFS has a connection with Rawson Verco Need, who are shareholders and a referral partner.

WHAT FEES DO WE PAY TO SOMEONE WHO REFERS YOU TO US?

If you are referred to us, we may pay the referrer a fee. We may also provide the referrer with gifts such as branded promotional items, hampers, or gift vouchers.

The fee varies according to the referrer and financial products involved.

The fee may be a percentage of our fees, a percentage of the total amount invested paid through the referral, or a flat fee. We may pay these fees upfront, and/or a period within a 12-month period during the term of our fixed term agreement.
